Please find below and/or attached an Office communication concerning this application or proceeding.

1. Applicant's request filed March 2, 2007, for suspension of action in this application [under 37 CFR 1.103(a)], is denied as being improper. Action cannot be suspended in an application awaiting a reply by the applicant. See MPEP § 709, which states:

Suspension of action (37 CFR 1.103) should not be confused with extension of time for reply (37 CFR 1.136). It is to be noted that a suspension of action applies to an impending Office action by the examiner whereas an extension of time for reply applies to action by the applicant. In other words, the action cannot be suspended in an application which contains an outstanding Office action or requirement awaiting reply by the applicant. It is only the action by the examiner which can be suspended under 37CFR 1.103.

2. Any inquiry concerning this communication or earlier communications from the examiner should be directed to Rick Palabrica whose telephone number is 571-272-6880. The examiner can normally be reached on 6:00-4:30, Mon-Thurs.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Jack Keith can be reached on 571-272-6878. The fax phone number for the organization where this application or proceeding is assigned is 571-273-8300.

Art Unit: 3663

Information regarding the status of an application may be obtained from the Patent Application Information Retrieval (PAIR) system. Status information for published applications may be obtained from either Private PAIR or Public PAIR. Status information for unpublished applications is available through Private PAIR only. For more information about the PAIR system, see <http://pair-direct.uspto.gov>. Should you have questions on access to the Private PAIR system, contact the Electronic Business Center (EBC) at 866-217-9197 (toll-free). If you would like assistance from a USPTO Customer Service Representative or access to the automated information system, call 800-786-9199 (IN USA OR CANADA) or 571-272-1000.
